

Carp-O-Rama

A Free Family Fishing Event

Saturday, June 23
8 a.m. – 1 p.m.

Pawnee Lake State Rec. Area (near Emerald)
Main boat ramp area (east side)

Experience the fun of Fish Camp!

Join us for a one-day version of fish camp, featuring information on how to catch, clean and cook carp. Novice or expert, we have advice on fishing equipment and techniques as well as demonstrations on fish preparation. The area will be pre-baited to attract fish and improve carp-catching opportunities.

Other attractions include:

- **Shore Lunch.** Free cooked fish samples provided by Nebraska Game and Parks, using Tomkat's seasoned coating.
- **Dutch Oven Cooking.** Experience Outdoor Cooking at its finest. Finish off your shore lunch with a fruit cobbler dessert created in a cast iron Dutch oven. Watch our demonstrations and learn how to make this treat on your next fishing trip.
- **Fish Printing (Gyotaku).** Learn the art of recording fish images on fabric with ink or paint. Try your hand at this ancient Japanese art form – we'll supply the fish, instruction and supplies, just bring your own T-shirt or use one of our bandanas.
- **Fish Tales.** Come tell your fish stories or listen to ours. We'll have readings of classic fish tales for the young at heart at 9, 10 and 11 a.m.
- **Prize Drawings for Kids.** Youth 15 years and younger can sign up for our prize drawings

Nebraska Park Entry Permit required. Those 16 years and older need a Nebraska Fishing Permit to fish. Both permits sold at the lake.
